## Call-for-Papers for the 14th IFToMM World Congress on MMS

The 14th IFToMM World Congress on Mechanism and Machine Science will take place in the city of Taipei, Taiwan, 25-30 October 2015.

This congress is held every 4 years and it is the largest conference for mechanism and machine science as organized by the IFToMM community. The aim of the congress is to gather researchers, scholars, practitioners and students with interests in the general area of the theory and practice of machines and mechanisms.

Papers are welcome on the general areas of the theory and practice of machines and mechanisms, with particular reference to the topics of the IFToMM Technical Committees and Permanent Commissions, Tenpage length in total and a maximum of 5 Mbytes for file, in PDF format, is allowed for each paper, as indicated in the conference Web site. CD proceedings will be indexed and distributed to registered participants. Full version of the paper should be submitted through the conference website with the following deadlines:

- Online submission system open: 1 September 2014
- Full paper submission: 15 January 2015
- Provisional decision: 15 April 2015
- Final version submission: 31 May 2015
- Final decision: 15 July 2015

IFToMM Young Delegate Program will provide grants for support to young researchers as ruled in IFToMM webpage. Local Organizing Committee will provide additional support upon request and available specific funds.
